

Entry Assessment Workbook

Week 1 -- Where You Actually Are | The Roadman Method

"What people try in general is they get a training plan and try to fit it in somehow and then it just ends up in pure stress and sickness is just a consequence of it."

-- Dan Lorang, coach to Pogacar and Vingegaard -- Roadman Cycling Podcast

This workbook is the foundation of your next 12 weeks. Every coaching decision depends on a real picture of where you are right now. Complete each section honestly. You will return to these numbers in Week 12.

Domain 1: Power Baseline

Record your current FTP. If your last test is more than 8 weeks old, retest before completing this section.
