Weeks 4-12 -- Form Cues | The Roadman Method

Form cues for every exercise, based on Derek Teel's coaching on the Roadman Cycling Podcast.

Goblet Squat

How: Hold DB vertically at chest height. Sit back and down, heels flat, chest tall. Full depth is hip crease below knee.

Avoid: Knees caving in, heels lifting, chest dropping.

Single-Leg Romanian Deadlift

How: DB in opposite hand. Hinge at hip, free leg straight back. Soft knee on standing leg. Squeeze glute to return.

Avoid: Rounding back, twisting hips, locking knee.

Bulgarian Split Squat

How: Rear foot on bench, laces down. Lower until rear knee brushes floor. Drive up through front heel.

Avoid: Front knee over toes, leaning forward, bouncing.

Hip Thrust

How: Upper back on bench, feet flat, knees 90 degrees at top. Drive hips up squeezing glutes. Chin tucked.

Avoid: Hyperextending lower back, chin jutting up.

Pallof Press

How: Band at chest height, stand side-on. Press hands out, resist rotation. Hold 2 seconds.

Avoid: Rotating toward anchor, shrugging shoulders.

Front Plank

How: Forearms on floor, straight line head to heels. Squeeze glutes, brace abs. Breathe normally.

Avoid: Hips sagging, piking up, holding breath.

Single-Leg Calf Raise

How: One foot on step edge. Lower heel below step, rise to full height. Pause at top.

Avoid: Bouncing, not full range, rushing reps.
