Week 6 -- Climb / TT / Sportive | The Roadman Method

"He used to ride the climb rather than ride against his rivals."

-- Anthony Walsh, quoting Bradley Wiggins -- Roadman Cycling Podcast

Card 1: Long Climb (15-45+ min)

Phase	% of Climb	Power Target	Cue
Start	First 10%	90-93% target	Settle in. Ignore attacks.
Middle	10-75%	95-100%	Steady state. Breathe. Eat.
Ramp	75-90%	100-105%	Begin to push. Negative split.
Finish	Last 10%	105-110%+	Everything left.

Card 2: Time Trial

Phase	Portion	Power	Cue
Start	First 2 min	95%	Controlled
Settle	2-80%	100%	Lock in
Push	80-95%	103-105%	Dig
Sprint	Last 5%	All out	Empty the tank

Card 3: Sportive / Gran Fondo

First third: Ride 10% easier than you think you should. **Middle third:** Find rhythm, hit fuel targets. **Final third:** Spend what you saved.
