Week 7 -- Map Your Year | The Roadman Method

"The coaches behind some of the best riders in the world -- they periodise everything. Nothing is random."

-- Anthony Walsh -- Roadman Cycling Podcast

Step 1: Target Events

Event	Date	Priority (A/B/C)	What It Demands

Step 2: Work Backward from A Event

Phase	Weeks	Dates	Focus
Taper	1 week		Reduce 50%, sharpen
Peak	2-3 weeks		Race-specific intensity
Build	4-6 weeks		Threshold, sweet spot
Base	6-12 weeks		Polarised, volume
Off-season	2-4 weeks		Unstructured, gym, recovery

Step 3: Map the Year
